Head lice

Like other settings and schools our nursery has been affected by an ongoing problem- Head lice.

Whilst we do everything we can to stop them spreading, we would like your support in this matter.

We will be sending all sun hats and bedding home to be washed. We would also ask you to check your children's hair this weekend and treat if necessary. This way we hope we can break the cycle and stop any new cases. We thank you for your cooperation.

We are implementing a new policy that if your child has head lice/eggs you will be asked to collect your child from the nursery and ensure hair is fully treated before returning back.

Thank you for all your generous donations who were happily received. It is always very important that our children learn to help others in need.
